

Photography and Video Camera Policy Statement

The Purpose & Scope of this Policy

Bristol and West AC is committed to providing a safe environment for children/young people under the age of 18 and vulnerable adults to participate in athletics. Bristol & West AC wishes to ensure that all photography and video footage is taken, used and disseminated appropriately.

Bristol & West AC's Photographs:

- The club will gain consent before using images of children or other vulnerable people
- We will not publish personal information about children or other vulnerable people that makes them identifiable
- We will ensure the images we take are used appropriately and stored correctly if required
- Where we arrange for a photographer to take pictures on behalf of the club, we will complete the necessary checks to make sure children and other vulnerable people are not put at risk.

If you take your own photos/ films at a Bristol & West AC event

- Please try to gain permission of the people you have photographed/ filmed before posting online.
- If you do post images of children or other vulnerable people online please check your privacy settings so you know who is able to view your pictures.

Athletes and parents must be aware that:

- Adults partaking in Bristol and West AC events or who join as a member, give consent to photographs being used in publicity, marketing or other documents to represent the club, unless specifically stated otherwise

If you have any concerns then please contact the club Safeguarding & Welfare Officer: safeguarding@bristolandwestac.org.

Please be aware this is a shortened version of our Photography and Video Camera Policy Statement. See the club website for the complete policy.
